Forward-Looking Statements

Certain statements in this presentation and other oral and written statements made by Vista Outdoor from time to time are forward-looking statements, including those that discuss, among other things: Vista Outdoor's plans, objectives, expectations, intentions, strategies, goals, outlook or other non-historical matters; projections with respect to future revenues, income, earnings per share or other financial measures for Vista Outdoor; and the assumptions that underlie these matters. The words 'believe', 'expect', 'anticipate', 'intend', 'aim', 'should' and similar expressions are intended to identify such forward-looking statements. To the extent that any such information is forward-looking, it is intended to fit within the safe harbor for forward-looking information provided by the Private Securities Litigation Reform Act of 1995.

Numerous risks, uncertainties and other factors could cause Vista Outdoor's actual results to differ materially from expectations described in such forward-looking statements, including the following: general economic and business conditions in the United States and Vista Outdoor's other markets outside the United States, including conditions affecting employment levels, consumer confidence and spending, conditions in the retail environment, and other economic conditions affecting demand for our products and the financial health of our customers; Vista Outdoor's ability to attract and retain key personnel and maintain and grow its relationships with customers, suppliers and other business partners, including Vista Outdoor's ability to obtain acceptable third party licenses; Vista Outdoor's ability to adapt its products to changes in technology, the marketplace and customer preferences, including our ability to respond to shifting preferences of the end consumer from brick and mortar retail to online retail; Vista Outdoor's ability to maintain and enhance brand recognition and reputation; use of social media to disseminate negative commentary and boycotts; reductions, in or unexpected changes in or our inability to accurately forecast demand for ammunition, firearms or accessories or other outdoor sports and recreation products; risks associated with Vista Outdoor's sales to significant retail customers, including unexpected cancellations, delays and other changes to purchase orders; supplier capacity constraints, production disruptions or quality or price issues affecting Vista Outdoor's operating costs; Vista Outdoor's competitive environment; risks associated with compliance and diversification into international and commercial markets; changes in the current tariff structures; the supply, availability and costs of raw materials and components; increases in commodity, energy and production costs; changes in laws, rules and regulations relating to Vista Outdoor's business, such as federal and state firearms and ammunition regulations; Vista Outdoor's ability to execute its long-term growth strategy, including our ability to complete and realize expected benefits from acquisitions and integrate acquired businesses; Vista Outdoor's ability to take advantage of growth opportunities in international and commercial markets; foreign currency exchange rates and fluctuations in those rates; the outcome of contingencies, including with respect to litigation and other proceedings relating to intellectual property, product liability, warranty liability, personal injury and environmental remediation; risks associated with cybersecurity and other industrial and physical security threats; capital market volatility and the availability of financing; changes to accounting standards or policies; and changes in tax rules or pronouncements.

You are cautioned not to place undue reliance on any forward-looking statements we make. Vista Outdoor undertakes no obligation to update any forward-looking statements except as otherwise required by law. For further information on factors that could impact Vista Outdoor, and statements contained herein, please refer to Vista Outdoor's filings with the Securities and Exchange Commission.

Second Quarter Drivers

- Sales decrease due to:
 - Eyewear sales: FY18 \$39M vs FY19 \$19M
 - Lower volumes in Hydration Solutions as a result of lower demand and market softness
 - Offset by increased sales in Outdoor Cooking due to customer demand
- Gross profit percentage decrease due to:
 - Hydration Solutions lower volumes, and Tactical inventory write-down
 - Offset by improved cost performance at Hunting and Shooting accessories

* Non-GAAP financial measure. See reconciliation table for details.

Gross Profit, Operating Profit, and Earnings Per Share

The adjusted gross profit, adjusted operating expenses, adjusted operating profit (adjusted EBIT), adjusted other income/(expense), adjusted interest, adjusted tax rate, adjusted net income, and adjusted earnings per share (adjusted EPS) presented below are non-GAAP financial measures. Vista Outdoor defines these measures as gross profit, operating profit (EBIT), tax rate, and EPS excluding, where applicable, the impact of costs incurred for contingent consideration, current and potential transactions, debt issuance costs, intangibles impairment, loss on Eyewear sale, business transformation activities, and tax reform. Vista Outdoor management is presenting these measures so a reader may compare gross profit, EBIT, tax rate, and EPS excluding these items, as the measures provide investors with an important perspective on the operating results of the company. Vista Outdoor management uses this measurement internally to assess business performance, and Vista Outdoor's definition may differ from those used by other companies.

Cost of Sales and Gross Profit by Segment

The adjusted cost of sales and adjusted gross profit presented by segment below are non-GAAP financial measures. Vista Outdoor defines these measures as cost of sales and gross profit excluding, where applicable, the impact of costs incurred for business transformation. Vista Outdoor management is presenting these measures so a reader may compare cost of sales and gross profit, as the measures provide investors with an important perspective on the operating results of the company. Vista Outdoor management uses this measurement internally to assess business performance, and Vista Outdoor's definition may differ from those used by other companies.

Free Cash Flow

Free cash flow is defined as cash provided by (used for) operating activities less capital expenditures, and excluding debt issuance costs, transaction costs paid to date, CEO/CFO transition costs paid to date, loss on Eyewear sale, and business transformation costs. Vista Outdoor management believes free cash flow provides investors with an important perspective on the cash available for debt repayment, share repurchases and acquisitions after making the capital investments required to support ongoing business operations. Vista Outdoor management uses free cash flow internally to assess both business performance and overall liquidity.

(in thousands)	Six months ended September 30, 2018	Six months ended October 1, 2017	Projected year ending March 31, 2019
