Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the common stock being offered hereby has been passed upon for the Registrant by Scott D. Chaplin, Senior Vice President, General Counsel and Secretary.

Item 6. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the State of Delaware.

Section 145 of the Delaware General Corporation Law, or DGCL, provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the corporation. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability:

- for any breach of the director's duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the DGCL, relating to unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- for any transaction from which the director derived an improper personal benefit.

The limitation of liability does not apply to liabilities arising under the federal or state securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

The Registrant's Amended and Restated Certificate of Incorporation and its Amended and Restated Bylaws include provisions that (i) eliminate the personal liability of our directors for monetary damages resulting from breaches of their fiduciary duty to the extent permitted by Section 102(b)(7) of the DGCL, and (ii) require the Registrant to indemnify, to the fullest extent allowable under the DGCL, its directors and officers for liability for actions taken as one of the Registrant's directors or officers, or for serving at the Registrant's request as a director or officer or another position at another corporation or enterprise, as the case may be. The Registrant's Amended and Restated Bylaws also provide that the Registrant must indemnify and advance reasonable expenses to the Registrant's directors and officers, subject to our receipt of an undertaking from the indemnified party as may be required under the DGCL. The Registrant's Amended and Restated Bylaws expressly authorize the Registrant to carry directors' and officers' insurance to protect the Registrant, its directors, officers, and certain other employees for some liabilities.

The foregoing is only a general summary of certain aspects of Delaware law and the Registrant's certificate of incorporation and bylaws dealing with indemnification of directors and officers and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of those sections of the DGCL referenced above and the certificate of incorporation and the bylaws of the Registrant.

Item 7. Exemption From Registration Claimed.

Not applicable.

ITEM 8. EXHIBITS.

The list of Exhibits is set forth under "Exhibit Index" at the end of this Registration Statement and is incorporated herein by reference.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Farmington, State of Utah, on this 31st day of October, 2016.

(u) “Subsidiary” means any present or future U.S. corporation (other than the Company) in an unbroken chain of corporations beginning with the Company if, as of an Investment Date, each of the corporations other than the last corporation in the unbroken chain owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

3. SHARES RESERVED FOR THE PLAN

An aggregate of one million (1,000,000) shares of Company Stock, subject to adjustment as provided in Section 11, are the shares reserved for the Plan. Shares subject to the Plan shall be authorized but unissued shares. Shares needed to satisfy the needs of the Plan may be treasury shares, newly issued by the Company or acquired by purchase at the expense of the Company on the open market or in private transactions.

4. ADMINISTRATION OF THE PLAN

The Plan shall be administered by the Committee. Subject to the express provisions of the Plan, the Committee shall have the authority to take any and all actions (including directing the Custodian as to the acquisition of shares) necessary to implement the Plan and to construe and interpret the Plan, to prescribe, amend, modify and rescind rules and regulations relating to it, and to make all other determinations necessary or advisable in administering the Plan. The Committee may correct any defect, supply any omission, or reconcile any inconsistency or ambiguity in the Plan. In the event the Committee exercises its authority to change the Grant Date to the first business day of the Offering Period, the Committee must establish a maximum number of shares that may be purchased by each Participant in accordance with Treasury Regulation Section 1.423-2(h)(3). Such maximum may be the same as or different than the limit set forth in Section 8, provided that any limit applies equally to all Participants. All such determinations shall be final and binding upon all persons.

A quorum of the Committee shall consist of a majority of its members and the Committee may act by vote of a majority of its members at a meeting at which a quorum is present, or without a meeting by a written consent to their action taken signed by all members of the Committee. The Committee may request advice or assistance or employ such other persons as are necessary for proper administration of the Plan. The Committee may delegate administration

of the Plan to one or more employees or positions of the Company or any Subsidiary. All rules and determinations by the Committee or its delegate in the administration of the Plan shall be uniformly and consistently applied to all persons in similar circumstances.

5. ELIGIBILITY

(a) *Eligible Employees.* Unless the Committee determines otherwise in a manner consistent with Code Section 423, an Employee is an Eligible Employee if the Employee (i) has been employed by an Employer for at least one year and (ii) is customarily employed for at least 20 hours per week.

Employees who meet the foregoing and are not otherwise excluded as of the first day of the Offering Period may participate in an Offering Period.

(b) *Excluded Employees.* Notwithstanding the foregoing, the following individuals shall not be eligible to participate in the Plan: (i) any director of the Company or of any Subsidiary who is not an Employee, (ii) any independent contractor who is not an Employee, and (iii) any Employee who is a citizen or resident of a foreign jurisdiction and such jurisdiction would prohibit a grant of an option under the Plan or compliance with such jurisdiction would cause the Plan to violate the requirements of Code Section 423.

Notwithstanding the foregoing, in the event of an acquisition by the Company or one or more of its Subsidiaries of the business of a person or entity, whether by asset purchase, stock purchase, merger or otherwise, the Senior Vice President, Human Resources and Corporate Services of the Company shall have sole discretion (without the consent of any Participant) to modify the eligibility and participation requirements of the Plan as they relate to those employees of the acquired person or entity who become employees of the Company or its Subsidiaries; provided, however, any such modification which requires stockholder approval under the Code shall not be made without such stockholder approval. Such authority shall continue regardless of further changes in title and shall be passed on to his or her respective successor of his or her roles and responsibilities regardless of changes in title.

6. ELECTION TO PARTICIPATE

(a) *Enrollment.* An Eligible Employee may elect to participate and become a Participant in the Plan as of the first day of any Offering Period by completing an Enrollment Form and timely filing such Enrollment Form by the deadline and in accordance with the enrollment procedures established by the Committee or its delegate, in its discretion, which deadline and procedures shall be applied uniformly to all Eligible Employees. If the Enrollment Form is not completed and timely filed by the established deadline, then such Employee shall be eligible to participate in the Plan as of the first day of the next Offering Period that begins following the receipt by the Committee of a completed Enrollment Form. Participation in the Plan is also subject to the provisions of Section 8. All Eligible Employees shall have the same rights and privileges within the meaning of Code Section 423(b)(5).

(b) *Payroll Deductions.* By completing and timely filing an Enrollment Form in accordance with the foregoing, the Participant shall authorize specified regular payroll deductions from his or her Compensation. The Committee, in its discretion, shall establish the minimum and maximum Compensation, expressed either as a percentage or in a flat dollar amount, that a Participant may elect to contribute, provided such limits are applied uniformly to all Participants. Payroll deductions shall begin on the first payroll date following the beginning of the Offering Period and end on the last payroll date on or before the Investment Date. All regular payroll deductions shall be credited to the Payroll Deduction Account that the Company has established in the name and, on behalf, of the Participant. The Company shall have no obligation to pay interest on payroll deductions or to hold such amounts in a trust or segregated account. Unless expressly permitted by the Committee, a Participant may not make any separate contributions or payments to the Plan.

(c) *Election Changes.* During an Offering Period, a Participant may not increase or decrease his or her payroll deduction, but may request to withdraw from an Offering Period in accordance with Section 12.

7. SHARE PURCHASE

(a) *Share Purchase.* Each Participant having eligible funds in his or her Payroll Deduction Account on an Investment Date shall be deemed, without any further action, to have purchased the number of shares of Company Stock (but not fractional shares unless otherwise determined by the Committee) which the eligible funds in his or her Payroll Deduction Account could purchase on that Investment Date at that Purchase Price.

The Custodian shall acquire shares of Company Stock for Participants as of each Investment Date from the Company or, if directed by the Committee, by purchases on the open market or in private transactions using total payroll deduction amounts received by the Custodian. If shares of Company Stock are purchased in one or more transactions on the open market or in private transactions at the direction of the Committee, the Company will pay the Custodian the difference between the Purchase Price and the price at which such shares are purchased for Participants.

All shares purchased shall be maintained by the Custodian in a separate Investment Account for each Participant. All cash dividends paid with respect to shares of the Company Stock held in the Investment Account shall be added to a Participant's Payroll Deduction Account and shall be used to purchase shares of Company Stock for the Participant's Investment Account. Expenses incurred in the purchase of such shares shall be paid by the Company.

(b) *Transfer of Shares; Stockholder Rights.* As soon as reasonably practicable after each Investment Date, the Company will arrange for the delivery of shares of Company Stock purchased on a Participant's behalf to be credited to the Participant's Investment Account. The Committee may require that the shares of Company Stock be retained with the Custodian for a specified period of time. Participants will not have any voting, dividend or other rights of a stockholder with respect to the shares of Company Stock until such shares have been delivered pursuant to this Section.

(c) *Dividends*. All dividends distributed in-kind with respect to Company Stock held in the Investment Account shall be added to the shares held for a Participant in his or her Investment Account. Any distribution of shares with respect to shares of Company Stock held for a Participant in his or her Investment Account shall be added to the shares of Company Stock held for a Participant in his or her Investment Account.

8. LIMITATION ON PURCHASES

In the event the Grant Date is determined to be the first business day of an Offering Period and unless the Committee determines another limit, no Eligible Employee shall be permitted to purchase more than the number of shares of Company Stock during any offering period equal to the quotient of \$6,250 and the Fair Market Value of a share of Company Stock on the first trading day of the Offering Period. No Eligible Employee may be granted options during any one calendar year which permit his or her rights to purchase shares of Company Stock under all Code Section 423 employee stock purchase plans of the Company and its Subsidiaries to accrue at a rate that exceeds \$25,000 of the Fair Market Value of such stock determined on the Grant Date, which limit shall be interpreted to comply with Code Section 423(b)(8).

A Participant's Payroll Deduction Account may not be used to purchase Company Stock on any Investment Date to the extent that, after such purchase, the Participant would own (or be considered as owning within the meaning of Code Section 424 (d)) stock possessing 5% or more of the total combined voting power of the Company or its parent or Subsidiary. For this purpose, stock which the Participant may purchase under any outstanding option (whether or not exercisable) shall be treated as owned by such Participant. As of the first Investment Date on which this paragraph limits a Participant's ability to purchase Company Stock, the employee shall cease to be a Participant.

For purposes of the foregoing, "parent" means any corporation (other than the Company) in an unbroken chain of corporations ending with the Company if, as of an Investment Date, each of the corporations other than the Company owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

9. RIGHT TO SELL COMPANY STOCK

A Participant shall have the right at any time to obtain a certificate (if the Company Stock is certificated) for the shares of Company Stock credited to his or her Investment Account. A Participant shall have the right at any time to direct that any shares of Company Stock in his or her Investment Account be sold and that the proceeds, less expenses of sale, be remitted to him or her.

When a Participant ceases to be a Participant, the Participant may elect to have his or her shares sold by the Custodian and the proceeds, after selling expenses, plus any other cash held in his or her Investment Account, remitted to him or her or the Participant may elect to have a certificate (if the Company Stock is certificated) for the shares of Company Stock credited to the Participant's Investment Account forwarded to him or her.

Notwithstanding the foregoing, any such sale of shares of Company Stock must comply with applicable Company policy, including without limitation the Company's Insider Trading Policy.

10. RIGHTS NOT TRANSFERABLE

Rights under the Plan are not transferable by a Participant, except by will or by the laws of descent and distribution. Rights under the Plan are exercisable during a Participant's lifetime only by him or her, pursuant to Section 7.

11. CHANGE IN CAPITAL STRUCTURE

In the event of a stock dividend, spinoff, stock split or combination of shares, recapitalization or merger in which the Company is the surviving corporation or other change in the Company's capital stock (including, but not limited to, the creation or issuance to stockholders generally of rights, options or warrants for the purchase of common stock or preferred stock of the Company), the number and kind of shares of stock or securities of the Company to be subject to the Plan, the maximum number of shares or securities which may be delivered under the Plan, the selling price and other relevant provisions shall be appropriately adjusted by the Committee, whose determination shall be binding on all persons.

If the Company is a party to a consolidation or a merger in which the Company is not the surviving corporation, a transaction that results in the acquisition of substantially all of the Company's outstanding stock by a single person or entity, or a sale or transfer of substantially all of the Company's assets, the Committee may take such actions with respect to the Plan as the Committee deems appropriate.

Notwithstanding anything in the Plan to the contrary, the Committee may take the foregoing actions without the consent of any Participant, and the Committee's determination shall be conclusive and binding on all persons for all purposes.

12. WITHDRAWAL

(a) *Withdrawal Procedure.* Subject to Section 14, a Participant may withdraw from an Offering Period at any time by filing with the Committee a revised Enrollment Form; provided, however, that such Form is received more than 15 days prior to the end of the Offering Period. If a Participant ceases his or her participation during an Offering Period, then he or she will receive a refund of any payroll deductions credited to his or her Payroll Deduction Account for such Offering Period, which refund will be made as soon as administratively practicable. Any such cessation shall be effective as of the payroll period following the date of the Participant's request to cease participation, or as soon as administratively practicable thereafter.

(b) *Effect on Later Offering Periods.* A Participant's election to withdraw from an Offering Period will not have any effect on his or her eligibility to participate in succeeding Offering Periods that commence following the completion of the Offering Period from which the Participant withdraws. An Eligible Employee who has ceased to be a Participant for an Offering

Period may not again resume participation in the Plan until such Eligible Employee complies with Section 6.

13. TERMINATION OF EMPLOYMENT; CHANGE IN EMPLOYMENT STATUS

Notwithstanding any provision in the Plan to the contrary, in the event of a Participant's termination for any reason, including death, disability or retirement, or a change in the Participant's employment status upon which the Participant is no longer an Eligible Employee, all payroll deductions shall cease effective with such event and the amount in his or her Payroll Deduction Account shall be refunded to him or her. Certificates (if the Company Stock is certificated) will be issued for full shares of Company Stock held in his or her Investment Account if elected with the Custodian and pursuant to the rules of the Custodian. If a Participant elects to have his or her shares sold, he or she will receive the proceeds of the sale, less selling expenses. In the event of his or her death, the amount, if any, in his or her Payroll Deduction Account shall be paid to his or her beneficiary (or if none, to his or her estate), and any shares of Company Stock in his or her Investment Account shall be delivered to any beneficiary he or she has properly designated in forms filed with the Custodian, and if no such designation is on file with the Custodian, then such shares of Company Stock shall be delivered to his or her estate.

14. DESIGNATION OF BENEFICIARY

A Participant may file, on forms supplied by the Committee, a written designation of beneficiary who is to receive the Participant's Investment Account upon the Participant's death.

15. AMENDMENT OF THE PLAN

The Board of Directors may at any time, or from time to time, amend the Plan in any respect; provided, however, that the stockholders of the Company must approve any amendment that would increase the number of securities that may be issued under the Plan (other than an increase solely to reflect a change in capitalization such as a stock dividend or stock split pursuant to Section 11).

16. TERMINATION OF THE PLAN

The Plan and all rights of employees hereunder shall terminate at the discretion of the Board of Directors. Upon termination of the Plan, all amounts in an employee's Payroll Deduction Account that are not used to purchase Company Stock will be refunded.

17. INDEMNIFICATION OF COMMITTEE

Service on the Committee shall constitute service as a director of the Company so that members of the Committee shall be entitled to such indemnification and reimbursement as directors of the Company as provided in its Articles of Incorporation and/or Bylaws.

18. GENERAL PROVISIONS

(a) *Governing Law.* The Plan shall be construed and administered in accordance with the laws of the State of Delaware.

(b) *Government and Other Regulations.* The Plan, and the grant and exercise of the rights to purchase shares hereunder, and the Company's obligation to sell and deliver shares upon the exercise of rights to purchase shares, shall be subject to all applicable federal, state and foreign laws, rules and regulations, and to such approvals by any regulatory or government agency as may, in the opinion of counsel for the Company, be required.

(c) *Legends.* In its sole and complete discretion, the Committee may elect to legend certificates representing Company Stock sold under the Plan to make appropriate references to the restrictions imposed on such Company Stock.

(d) *No Right to Continued Employment.* Neither the Plan nor participation in any Offering Period confer on any Eligible Employee or Participant the right to continue as an Employee or in any other capacity.

(e) *Withholdings.* To the extent required by applicable Federal, state or local law, the Company may withhold any amounts necessary to satisfy any required tax obligations, which may be satisfied by withholding from other compensation payable to a Participant.

(f) *Successors and Assigns.* The Plan shall be binding on the Company and its successors and assigns.

(g) *Stockholder Approval.* The Plan shall be subject to approval by the stockholders of the Company within 12 months before or after the date the Plan is adopted by the Board.

(h) *Severability.* If any provision of the Plan shall for any reason be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof, and the Plan shall be construed as if such invalid or unenforceable provision were omitted.

(i) *Headings.* The headings of sections herein are included solely for convenience and shall not affect the meaning of any of the provisions of the Plan.
