Dear Sirs

We, Antelope Brands Bidco Inc. (“we”, “us” or the “**Buyer**”), refer to the Stock Purchase Agreement (the “**Purchase Agreement**”), dated as of July 2, 2018, by and among us, Bushnell Inc., a Delaware corporation, Bushnell Performance Optics Asia Limited, a Hong Kong corporation, Serengeti Eyewear, Inc., a New York corporation, Bushnell Outdoor Products Japan Limited, a Japan corporation, Bollé Inc., a Delaware corporation, and Vista Outdoor Inc., a Delaware corporation. This letter clarifies the understanding of the parties with respect to certain matters set forth in the Purchase Agreement, including certain amendments thereto, in each case, in accordance with Section 11.3 of the Purchase Agreement and as forth herein (this “**Amendment**”). Capitalized terms used and not defined in this Amendment have the meaning given to them in the Purchase Agreement.

The parties to the Purchase Agreement wish to enter into this Amendment for the purposes of recording certain acknowledgments in respect of the Purchase Agreement.

Section 7.21(a) of the Purchase Agreement

1. The parties acknowledge that, notwithstanding the terms of Section 7.21(a) of the Purchase Agreement, prior to Closing, the Sellers may not have, and may not have caused their respective Affiliates (other than the Target Entities and the Company Subsidiaries) to have, assigned, conveyed and transferred to the Target Entities or the Company Subsidiaries, as applicable, all of the Sellers' and any such member of the Seller Group's right, title and interest in and to all of the assets and Contracts which immediately prior to Closing exclusively or primarily relate to, or are exclusively or primarily used in or for, the Target Business together with any Shared Contracts (only to the extent that the relevant rights and

obligations under any such Shared Contract relate to the Target Business) (collectively, the “**Transferred-In Assets**”).

2. To the extent that any of the Transferred-In Assets have not, prior to or as at Closing, been assigned, conveyed and transferred to the Target Entities or the Company Subsidiaries, as applicable in accordance with Section 7.21(a) of the Purchase Agreement, the Sellers shall and shall cause their respective Affiliates to do so as soon as reasonably practicable following Closing and prior to the expiry of 12 months from Closing. The Sellers shall, and shall cause their respective Affiliates to, promptly execute and deliver such documents and perform such acts as may reasonably be required or as the Buyer may reasonably request for the purpose of giving full effect to the assignment, conveyance and transfer to the Target Entities or the Company Subsidiaries, as applicable, all of the Sellers’ and each member of the Seller Group’s right, title and interest in and to the Transferred-In Assets, in each case subject to paragraph 11 below.
3. The parties agree that, notwithstanding the Buyer’s acknowledgment at paragraph 1 and the provisions of paragraph 2 above, and notwithstanding the consummation of the Closing, in accordance with Section 10.2(a) of the Purchase Agreement, the Sellers will remain jointly and severally liable to defend, indemnify and hold harmless Buyer and its Affiliates (including, after Closing the Target Entities and the Company Subsidiaries) and their respective officers, directors, managers, employees, successors and assigns (collectively, the “**Buyer Indemnitees**”) from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with or as a result of the Sellers’ non-performance of their obligations contained under Section 7.21(a) of the Purchase Agreement. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the obligations of the Sellers set forth in this Amendment constitute covenants and agreements contained in the Purchase Agreement that are to be performed after the Closing Date, and accordingly, such obligations shall survive the Closing Date until they are fully performed. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the Sellers shall jointly and severally defend, indemnify and hold harmless the Buyer Indemnitees from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with, or as a result of the breach of any agreement or covenant of the Sellers contained in this Amendment pursuant to Section 10.2(a)(ii) of the Purchase Agreement.

Section 7.21(b) of the Purchase Agreement

4. The parties acknowledge that, notwithstanding the terms of Section 7.21(b) of the Purchase Agreement, prior to Closing, the Sellers may not have procured that certain of the assets and Contracts of the Target Entities and/or Company Subsidiaries which immediately prior to Closing exclusively or primarily related to, or were exclusively or primarily related to, or were exclusively or primarily used in or for, the Excluded Business, together with any Shared Contracts (only to the extent that the relevant rights and obligations under any such Shared Contract relate to the Excluded Business) to be transferred from the Target Entities and the Company Subsidiaries, as applicable, to a member of the Seller Group (other than the Target Entities and the Company Subsidiaries) (collectively, the “**Transferred-Out Assets**”).

5. To the extent that any of the Transferred-Out Assets have not, prior to or as at Closing, been assigned, conveyed and transferred from the Target Entities or the Company Subsidiaries, as applicable in accordance with Section 7.21(b) of the Purchase Agreement, the Sellers shall and shall cause their respective Affiliates to arrange for the Transferred-Out Assets to be assigned, conveyed and transferred from the Target Entities or the Company Subsidiaries to the Excluded Business as soon as reasonably practicable following Closing and prior to the expiry of 12 months from the date of Closing. The Buyer shall, and shall cause its Affiliates to, promptly execute and deliver such documents and perform such acts as may reasonably be required or as the Sellers may reasonably request for the purpose of giving full effect to the assignment, conveyance and transfer by the Target Entities or the Company Subsidiaries, as applicable, of their respective right, title and interest in and to the Transferred-Out Assets, in each case, subject to paragraphs 6 and 11 below.
6. All costs and expenses (including for the avoidance of doubt, any applicable Tax) incurred in connection with any transactions or actions contemplated by paragraphs 2, 5 and 9 of this Amendment shall be borne by the Sellers. Without prejudice to the preceding paragraph, if the Buyer (or any of its Affiliates, including the Target Entities and the Company Subsidiaries), in good faith, considers that any material costs or expenses are likely to be incurred in connection with the transactions contemplated thereby or as a result of any such co-operation or other action, at the Buyer's election the Sellers shall first be obliged to agree to reimburse the Buyer (or any of its Affiliates, including the Target Entities and the Company Subsidiaries) for all such costs and expenses before any action is taken. Also, in the case of paragraph 9 below, the Buyer (or any of its Affiliates, including the Target Entities and the Company Subsidiaries) may elect to require the Sellers to engage (and pay for) a mutually agreed third party to manage and implement the transfers of the Retained Employee Contracts to a member of the Seller Group (other than a Target Entity or Company Subsidiary) or the transfer of the Target Employee Contracts to a Target Entity or Company Subsidiary; provided, however, that the parties shall, acting reasonably and in good faith, mutually agree to the costs to be incurred by such third party prior to any such engagement unless such costs are immaterial.
7. The parties agree that, notwithstanding the Buyer's acknowledgement at paragraph 4 above, in accordance with Section 10.2(a) of the Purchase Agreement, and notwithstanding the consummation of the Closing, the Sellers remain jointly and severally liable to defend, indemnify and hold harmless the Buyer Indemnitees from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with or as a result of the Sellers' non-performance of their obligations contained under Section 7.21(b) of the Purchase Agreement. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the obligations of the Sellers set forth in this Amendment constitute covenants and agreements contained in the Purchase Agreement that are to be performed after the Closing Date, and accordingly, such obligations shall survive the Closing Date until they are fully performed. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the Sellers shall jointly and severally defend, indemnify and hold harmless the Buyer Indemnitees from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with, or as a result of the breach of any agreement or covenant of the

Sellers contained in this Amendment pursuant to Section 10.2(a)(ii) of the Purchase Agreement.

Section 7.21(d) of the Purchase Agreement

8. The parties acknowledge that, notwithstanding the terms of Section 7.21(d) of the Purchase Agreement, prior to Closing, the Sellers may not have caused the contracts of employment of all Target Employees who were employed by a member of the Seller Group other than the Target Entities or a Company Subsidiary as of the Closing (“**Target Employee Contracts**”) to be transferred to a Target Entity or Company Subsidiary, and the Sellers may not have caused the contracts of employment of all Retained Employees who were employed by the Target Entities or a Company Subsidiary as of the Closing (“**Retained Employee Contracts**”) to be transferred to a member of the Seller Group other than a Target Entity or Company Subsidiary.
9. To the extent that, prior to or as at Closing, any Target Employee Contract was not transferred to a Target Entity or Company Subsidiary, or any Retained Employee Contract that was not transferred to a member of the Seller Group other than a Target Entity or Company Subsidiary, unless different timing is specified in the Transition Services Agreement, the Sellers shall and shall cause their respective Affiliates to do so as soon as reasonably practicable following Closing and within 12 months of Closing. Each of the Buyer and the Seller shall, and shall cause their respective Affiliates to, promptly execute and deliver such documents and perform such acts as may reasonably be required or as the other party(ies) may reasonably request for the purpose of giving full effect to (i) the transfer of the Target Employee Contracts to a Target Entity or Company Subsidiary and (ii) the transfer of the Retained Employee Contracts to a member of the Seller Group other than a Target Entity or Company Subsidiary, in each case subject to (x) in the case of the Buyer and its Affiliates, paragraph 6 above and (y) paragraph 11 below.
10. The parties agree that, notwithstanding the Buyer’s acknowledgement at paragraph 8 and the provisions of paragraph 9 above, and notwithstanding the consummation of the Closing, in accordance with Section 10.2(a) of the Purchase Agreement, the Sellers will remain jointly and severally liable to defend, indemnify and hold harmless the Buyer Indemnitees from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with or as a result of the breach of the Sellers’ non-performance of their obligations contained under Section 7.21(d) of the Purchase Agreement. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the obligations of the Sellers set forth in this Amendment constitute covenants and agreements contained in the Purchase Agreement that are to be performed after the Closing Date, and accordingly, such obligations shall survive the Closing Date until they are fully performed. Notwithstanding anything set forth in the Purchase Agreement to the contrary, the Sellers shall jointly and severally defend, indemnify and hold harmless the Buyer Indemnitees from and against, and pay or reimburse Buyer Indemnitees for, all Losses arising from, in connection with, or as a result of the breach of any agreement or covenant of the Sellers contained in this Amendment pursuant to Section 10.2(a)(ii) of the Purchase Agreement.

Restructuring Post-Closing

11. From and after the date hereof, each of the Buyer and the Sellers shall consult with the other and provide the other with an opportunity to review and comment on any documentation required to consummate the transactions contemplated in paragraphs 1 – 10 above.
- (a) Each of the Buyer and the Sellers shall take into account all reasonable comments and reasonable requests made by the other party(ies) in respect of any documentation necessary to effectuate the transactions contemplated hereby; provided, however, that the Sellers shall not be required to take into account any comments, or take any actions, requested by Buyer that would or would reasonably be expected to result in any incremental Tax liability or Tax Detriment (including a loss or reduction of a Tax attribute) of the Sellers or any of their Affiliates (other than the Target Entities or the Company Subsidiaries); provided, further, that the Buyer shall have the right to approve any actions that would result in a Tax Detriment to the Target Entities or Company Subsidiaries which is not subject to indemnification in accordance with the terms hereof or the Purchase Agreement.
- (b) From and after the date hereof, the Buyer and the Sellers shall, and shall cause their respective Affiliates to, including with respect to the Buyer after the Closing, the Target Entities and the Company Subsidiaries, reasonably cooperate, and to cause their respective Affiliates, officers, employees, agents, officers and Representatives to reasonably cooperate (including with respect to the execution of documents), with all reasonable requests made by the other party(ies) hereto in order to effectuate the transactions contemplated by paragraphs 1 – 10 above, in each case subject to (x) in the case of the Buyer, the Buyer's Affiliates and after Closing, the Target Entities and the Company Subsidiaries paragraph 6 above and (y) this paragraph 11.

Additional Indemnification

12. Subject to the limitations set forth in Article 10 of the Purchase Agreement, except as set forth herein, the Sellers shall indemnify and hold harmless the Buyer Indemnitees against all Losses suffered or incurred by the Buyer Indemnitees arising out of or in connection with the employment by any of the Target Entities or the Company Subsidiaries of any Retained Employee, including, without limitation, any claims raised by any Retained Employee relating to their employment by any of the Target Entities or the Company Subsidiaries or the termination of such employment; provided, however, that the Sellers shall not be required to indemnify and hold harmless the Buyer Indemnitees, to the extent that any such Losses arise out of or in connection with any wilful misconduct of the Target Entities, the Company Subsidiaries, or their respective Affiliates and Representatives following the Closing.
13. Subject to the limitations set forth in Article 10 of the Purchase Agreement, except as set forth herein, the Buyer shall indemnify and hold harmless the Seller Indemnitees against all Losses suffered or incurred by the Seller Indemnitees arise out of or in connection with the employment by any member of the Retained Group of any Target Employee after the Closing Date, including, without limitation, any claims raised by any Target Employee relating to their employment by any member of the Retained Group or the termination of such employment; provided, however, that the Buyer shall not be required to indemnify and hold harmless the Seller Indemnitees, to the extent that any such Losses arise out of the

wilful misconduct of any member of the Retained Group or their respective Affiliates and Representatives.

14. For the avoidance of doubt, the Seller Indemnities may not raise a claim under the foregoing indemnity in respect of any Losses suffered or incurred by the Seller Indemnities arising out of or in connection with any claim made by any of the Buyer Indemnities under Article 10.2(a)(vii), (viii), (ix) or (x) of the Purchase Agreement.
15. Notwithstanding anything to the contrary herein, and at all times subject to the terms of the Transition Services Agreement, other than for “cause” (a) the Sellers may not terminate any Target Employees currently employed by the Seller Group and set forth on Exhibit A hereto, and (b) the Buyer may not terminate any Retained Employees currently employed by the Target Entities and the Company Subsidiaries and set forth on Exhibit B hereto, in each case, without the written consent of the other party (which such consent shall not be unreasonably conditioned, withheld, or delayed).

Vista Outdoor Finalizes Sale of Bollé, Cébé and Serengeti Brands

Vista Outdoor Successfully Completes First Step in Transformation Plan

Farmington, Utah, September 4, 2018 - Vista Outdoor Inc. ("Vista Outdoor") (NYSE: VSTO) announced today that it has completed the divestiture of the legal entities operating its Bollé, Cébé and Serengeti brands (the "Eyewear Brands").

"Completing the sale of our Eyewear brands is a positive step in our strategic transformation plan," said Chris Metz, Vista Outdoor's Chief Executive Officer. "We believe this is a mutually beneficial arrangement for both parties, and we are excited that the buyer will help these iconic brands thrive."

Vista Outdoor announced its intention sell the Eyewear business in November of 2017. In May of 2018, the company announced its transformation plan to explore strategic options for several brands outside of the company's core markets of ammunition, hunting and shooting accessories,

hydration bottles and packs, and outdoor cooking products. In July, the company announced it had entered into a definitive agreement to sell the eyewear brands to an entity controlled by a significant European private equity fund.

Gross proceeds from the divestiture were \$158 million. Vista Outdoor's net proceeds from the sale, after certain transaction adjustments and financial advisor fees, were approximately \$154 million. The purchase price will be subject to a customary post-closing true-up for working capital and other items.

“We are eager to build on the momentum from this sale,” said Metz. “We are hard at work on the next stage of our transformation plan and confident in our ability to put Vista Outdoor on a path for future success.”

Robert W. Baird & Co. served as transaction and financial advisor and Reed Smith LLP served as legal advisor to Vista Outdoor in connection with the transaction.
