In the event that Parent, the Seller or any of their Affiliates are requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil
investigative demand or similar process) to disclose any such information, Parent or the Seller, as applicable, shall use commercially reasonable efforts to promptly notify the Buyer of the request or requirement so that the Buyer may seek, at its sole cost and expense, an appropriate protective order or waive compliance with the provisions of this Section 7.1(a). If, in the absence of a protective order or the receipt of a waiver hereunder, Parent, the Seller or any of their respective Affiliates is, on the advice of counsel, legally required to disclose any such information, Parent or the Seller, as applicable, may disclose such information to the requesting authority; provided, however, that Parent or the Seller, as applicable shall use commercially reasonable efforts to obtain, at the reasonable request of the Buyer and at the Buyer’s sole cost, an Order or other assurance that confidential treatment will be accorded to such portion of the information required to be disclosed as the Buyer shall designate in good faith.

(b) The Buyer shall not, and shall cause its respective Affiliates not to, use or disclose to any Person any documents and information concerning the Seller, or any of its Affiliates (other than the Company, any Company Subsidiary or the Business), furnished to it by Parent, the Seller or their respective Representatives in connection with this Agreement or the Contemplated Transactions, in each case other than the Company Confidential Information. In the event that the Buyer or any of its Affiliates, is requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process) to disclose any such information, the Buyer shall use commercially reasonable efforts to promptly notify Parent and the Seller of the request or requirement so that Parent or the Seller may seek, at their sole cost and expense, an appropriate protective order or waive compliance with the provisions of this Section 7.1(b). If, in the absence of a protective order or the receipt of a waiver hereunder, the Buyer is, on the advice of counsel, legally required to disclose any such information, the Buyer may disclose such information to the requesting authority; provided, however, that the Buyer shall use commercially reasonable efforts to obtain, at the reasonable request of Parent or the Seller and at Parent or the Seller’s sole cost, an Order or other assurance that confidential treatment will be accorded to such portion of the information required to be disclosed as Parent or the Seller shall designate in good faith.

7.2 Public Announcements. No party to this Agreement will issue or cause the publication of any press release or other public announcement with respect to this Agreement or the Contemplated Transactions without (a) providing a draft of, and an opportunity to comment on, such public announcement or press release to the other parties hereto (which draft shall be provided not less than one (1) Business Day in advance of any such press release or public announcement) and (b) obtaining the prior written consent of the other parties hereto; provided that, subject to the immediately following sentence, nothing herein will prohibit any party from (x) issuing or causing publication of any such press release or public announcement to the extent that such disclosure is required by applicable Law or stock exchange requirements, or (y) disclosing any information that is reasonably required to be disclosed in confidence to a party’s and its Affiliates’ respective directors, officers, employees, professional advisers, current and potential investors and other Representatives, in each case who are bound by customary obligations of confidentiality with respect to such disclosures; provided, however, that such party shall be responsible for any breach of the terms hereof by any such Persons. Notwithstanding the foregoing, in no event shall any party to this Agreement be permitted to disclose the nature, name or identity of any of the Buyer’s owners,
members, investors, partners or other financing sources; provided, however, in the event that the Seller or any of its Affiliates, are requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process) to disclose any such information, the Seller shall use commercially reasonable efforts to promptly notify the Buyer of the request or requirement so that the Buyer may seek, at its sole cost and expense, an appropriate protective order or waive compliance with the provisions of Section 7.1(a). If, in the absence of a protective order or the receipt of a waiver hereunder, the Seller is, on the advice of counsel, legally required to disclose any such information, the Seller may disclose such information to the requesting authority; provided, however, that the Seller shall use commercially reasonable efforts to obtain, at the reasonable request of the Buyer and at the Buyer’s sole cost, an Order or other assurance that confidential treatment will be accorded to such portion of the information required to be disclosed as the Buyer shall designate in good faith.

7.3 Retention of Books and Records. Each of the Seller and the Company shall (each, a “Retaining Party”), until the seventh anniversary of the Closing Date, retain the books and records of the business of the Company and promptly afford (a) in the case of the Seller, except to the extent provided under Section 7.5(e)(ii), the Company, the Buyer, their respective Affiliates and their respective Representatives; and (b) in the case of the Company, the Seller and the Seller’s Affiliates and Representatives (each such requesting Person in subclause (a) or (b), a “Requesting Person”) reasonable access to the books and records, information, employees and auditors of Retaining Party solely with respect to periods or occurrences prior to or on the Closing to the extent necessary for the following bona fide purposes related to the business of the Company: (i) to enable such Requesting Person to comply with Tax, regulatory or financial reporting obligations, (ii) for use by such Requesting Person in connection with any insurance claims or (iii) for use by such Requesting Person in connection with any Action (subject to customary confidentiality protections) related to the business of the Company; in each case, reasonable evidence of which shall be provided to the Retaining Party upon request (including access to the Retaining Party’s employees to the extent the Requesting Person (after consultation with the Retaining Party) deems such access is necessary to respond to any Action, to participate in depositions or to provide testimony in connection with any Action); provided that no such access shall be granted to the extent involving or relating to a dispute between the Seller or its Affiliates, on the one hand, and the Company and/or the Buyer on the other hand; provided, further, that nothing in this Section 7.3 shall obligate the Retaining Party to take or permit any action that would result in any waiver of attorney-client privilege or violate any Law or the terms of any Contracts to which the Retaining Party is a party. The Requesting Person agrees to reimburse the Retaining Party promptly for all reasonable and documented out-of-pocket costs and expenses incurred in connection with any such request.

7.4 Employee Matters.

(a) Except as set forth in the Transition Services Agreement, from and after the Closing Date until the twelve (12) month anniversary thereof (or such later period as may be required by applicable Law), the Buyer shall, and shall cause its Affiliates (including the Company and the Company Subsidiaries) to, provide to each employee of the Company and each Company Subsidiary as of the Closing who remains employed during such period (collectively, the “Continuing Employees”) (i) a base salary or hourly wage, as applicable, not less than that provided to such
Continuing Employee immediately prior to the Closing Date, (ii) target bonus and incentive compensation opportunities (but excluding change-in-control, retention and equity-related bonus and incentive opportunities) that are no less favorable than those provided to such Continuing Employee by the Company or a Company Subsidiary immediately prior to the Closing Date, and (iii) employee benefits that are substantially comparable in the aggregate to the employee benefits provided to the Continuing Employees immediately prior to the Closing, provided, however, that no equity or equity-based plans or arrangements, change-in-control or other transaction or retention payments or benefits, defined benefit pension benefits, retiree medical benefits or other similar plans or arrangements shall be taken into account for purposes of determining whether such employee benefits are substantially comparable in the aggregate.

(b) The Buyer shall cause service rendered by Continuing Employees prior to the date set forth in the Transition Services Agreement through which the Continuing Employees will continue participating in the applicable Parent Plans (the \textit{``New Plans Commencement Date''}) to be taken into account for all purposes including participation, coverage, vesting and level of benefits, as applicable (but excluding benefit accruals under a defined benefit pension plan, for purposes of level of benefits or benefit accruals under any post-employment health or welfare benefit, or for any purpose under any equity-based plan or arrangement), under all employee benefit plans, programs, policies and arrangements of the Buyer and its Affiliates from and after the New Plans Commencement Date (the \textit{``New Plans''}), to the same extent as such service was taken into account under corresponding plans of Parent, the Company and the Company Subsidiaries, as applicable, for such purposes; provided, however, that nothing herein shall result in the duplication of any benefits. Without limiting the foregoing, the Buyer will use commercially reasonable efforts to cause Continuing Employees not to be subject to any pre-existing condition or limitation under any New Plan that is a welfare plan within the meaning of Section 3(1) of ERISA, for any condition for which such Continuing Employee would have been entitled to coverage under the corresponding plan of Parent, the Company or a Company Subsidiary, as applicable, in which such employee participated immediately prior to the New Plans Commencement Date. The Buyer shall, and shall cause its Affiliates to, recognize co-payments made, and deductibles satisfied, by Continuing Employees under the corresponding Parent Plans that are health plans in the calendar year in which the New Plans Commencement Date occurs.

(c) Except as specifically provided herein, the Buyer or its Affiliates shall not assume any obligations or Liabilities under or with respect to, or receive any right or interest in any trusts relating to, any assets of or any insurance, administration or other contracts pertaining to, any of the Parent Plans.

(d) Except as set forth in the Transition Services Agreement, required by applicable Law or as otherwise specifically provided herein, all Continuing Employees will cease, effective as of the Closing Date or as of the New Plans Commencement Date, as applicable, any participation in and any benefit accrual under each of the Parent Plans. Parent and its Affiliates shall take all necessary actions to effect such cessation of participation by Continuing Employees under the Parent Plans in accordance with applicable Law and the terms of this Agreement. Notwithstanding the foregoing provisions of this Section 7.4(d), Continuing Employees may continue after the Closing Date or New Plans Commencement Date, as applicable, to participate
in accordance with, and subject to, their eligibility under the terms of (i) Parent Plans which are pension plans with respect to vested, accrued benefits as of the applicable Closing Date, or (ii) Parent Plans to the extent required by applicable Law or terms of the Parent Plans.

(e) With respect to any Continuing Employee who was a participant in a health or dependent care flexible spending account plan maintained by Parent or any of its Affiliates immediately prior to the New Plans Commencement Date (in either case, the “Parent FSA Plans”): (i) if the Company or any of its Affiliates maintains a general purpose health flexible spending account plan (a “GPHFSA Plan”), the Company and Parent shall, or shall cause one of their respective Affiliates to, use commercially reasonable efforts to effect an FSA Transfer (as defined below) of such Continuing Employee’s account balance (if any) under the Parent GPHFSA Plan to the GPHFSA Plan of the Company or one of its Affiliates; (ii) if the Company or any of its Affiliates maintains a limited purpose health flexible spending account plan (a “LPHFSA Plan”), the Company and Parent shall, or shall cause one of their respective Affiliates to, use commercially reasonable efforts to effect an FSA Transfer (as defined below) of such Continuing Employee’s account balance (if any) under the Parent LPHFSA Plan to the LPHFSA Plan of the Company or one of its Affiliates; and (iii) if the Company or any of its Affiliates maintains a dependent care flexible spending account (a “DCFSA Plan”), the Company and Parent shall, or shall cause one of their respective Affiliates to, use commercially reasonable efforts to effect an FSA Transfer (as defined below) of such Continuing Employee’s account balance (if any) under the Parent DCFSA Plan to the applicable DCFSA Plan of the Company or one of its Affiliates. For purposes of this Section 7.4(e), “FSA Transfer” means (i) the election of a Continuing Employee in effect under the applicable Parent FSA Plans by the Company or an Affiliate of the Company immediately prior to the New Plans Commencement Date, (ii) the assumption by the Company or an Affiliate of the Company of responsibility for administering and paying under the applicable plans of the Company or one of its Affiliates all eligible reimbursement claims of such Continuing Employee incurred in the calendar year in which the New Plans Commencement Date occurs that are submitted for payment on or after such New Plans Commencement Date, whether such claims arise before, on or after such New Plans Commencement Date, and (iii) as soon as practicable following the New Plans Commencement Date, transfer by Parent (or an Affiliate of Parent) to the Company in connection with the actions taken pursuant to clauses (i) and (ii) of an amount in cash equal to (A) the sum of all contributions to the applicable Parent FSA Plans made with respect to the calendar year in which such Employment Commencement Date occurs by or on behalf of such Continuing Employee prior to the New Plans Commencement Date, reduced by (B) the sum of all claims incurred by such Continuing Employee under the applicable Parent FSA Plans in the calendar year in which the New Plans Commencement Date occurs that are submitted for payment prior to such New Plans Commencement Date; provided, however, that if the amount described in subclause (B) exceeds the amount described in clause (A), the Company shall reimburse Parent for such difference.

(f) This Section 7.4 shall be binding upon and inure solely to the benefit of each of the parties to this Agreement, and nothing in this Section 7.4, express or implied, shall confer upon any other Person any rights or remedies of any nature whatsoever under or by reason of this Section 7.4. Nothing contained herein, express or implied, shall be construed to establish, amend or modify any benefit plan, program, agreement or arrangement. The parties hereto acknowledge and agree that the terms set forth in this Section 7.4 shall not create any right in any employee or
any other Person to any employment or continued employment with the Company, any Company Subsidiary, the Buyer or any of their respective Affiliates or to any compensation or benefits of any nature or kind whatsoever.

7.5 **Tax Matters.**

(a) **Transfer Taxes.** Any and all sales, use, transfer, real property transfer or gains tax, stamp tax, stock transfer tax, or other similar Tax imposed on the Company or any Company Subsidiary, the Seller or the Buyer as a result of the Contemplated Transactions and any penalties or interest (or addition to Tax) with respect to such Taxes (collectively, “Transfer Taxes”) shall be borne one-half (50%) by the Seller (and shall be Transaction Expenses) and one-half (50%) by the Buyer when due.

(b) **Inclusion in Consolidated Returns.** Parent shall include, in accordance with applicable Laws, the income of the Company and the Company Subsidiaries (including any deferred intercompany items described in Treasury Regulations Section 1.1502-13 and any excess loss accounts taken into income under Treasury Regulations Section 1.1502-19) for all taxable periods ending on or before the Closing Date in the consolidated Tax Returns for all periods through the close of the Closing Date and shall pay any Taxes attributable to such income. Unless otherwise required by applicable Law, the income of the Company and the Company Subsidiaries for any taxable period that includes the Closing Date shall be determined based on an interim closing of the books as of the close of the Closing Date. If and to the extent necessary to avoid any reduction in Tax attributes of the Company or any Company Subsidiary under Treasury Regulations Section 1.1502-36(d) the Seller shall make the election described in Treasury Regulations Section 1.1502-36(d)(6) to reduce the Seller’s basis in the Company Shares.

(c) **Tax Sharing Agreements.** All Tax sharing agreements or similar agreements between the Seller and/or any of its Affiliates (other than the Company or any of the Company Subsidiaries), on the one hand, and any of the Company and the Company Subsidiaries, on the other hand, shall be terminated effective as of the Closing and, after the Closing, the Company and the Company Subsidiaries shall not be bound thereby or have any liability thereunder.

(d) **Audits.** If Parent, the Seller or any of their Affiliates receives written notice of a proposed assessment or claim in an audit or administrative or judicial proceeding relating to a consolidated Tax Return of the Parent Group, and, before such audit or proceeding is resolved, it becomes reasonably likely that Parent would not be able to timely pay in full the proposed assessment if such proposed assessment were imposed in full on the Parent Group, then (i) Parent shall promptly provide written notice to the Company and the Buyer and (ii) Parent shall have the exclusive right to control all matters relating to such audit or proceeding, provided that (A) the Buyer may retain separate counsel at its sole cost and its expense to participate in proceedings relating to the Company and the Company Subsidiaries, and (B) Parent shall not consent to the entry of any judgment or enter into any compromise or settlement with respect to such audit or proceeding to the extent that such judgment, compromise, or settlement without prior written consent of the Company (not to be unreasonably withheld).

(e) **Cooperation.**
(i) Each of the Buyer and the Company, on the one hand, and Parent and the Seller, on the other hand, shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with any Tax matters relating to the Company and the Company Subsidiaries (including by the provision of reasonably relevant records or information).

(ii) Notwithstanding anything to the contrary contained in this Agreement, neither the Buyer nor any of its Affiliates (including after the Closing the Company and the Company Subsidiaries) shall have the right to receive or obtain any information relating to Taxes or Tax Returns of the Seller or any of its Affiliates (or any of its predecessors) other than information relating solely to the Company and the Company Subsidiaries.

(iii) For any taxable period of the Company or any of the Company Subsidiaries ending on or before the Closing Date or any taxable period in which the Closing occurs, with respect to any income Tax Return required to be filed by the Parent Group, the Buyer, if so requested by the Seller, shall (for which the Buyer shall be reimbursed by the Seller for reasonable out-of-pocket third party costs) promptly (but in no event later than one hundred and twenty (120) days following the Closing Date) cause the Company and the Company Subsidiaries to prepare and provide to the Seller with a package of Tax information materials, which shall be completed in accordance with the reasonable past practice of the Company and the relevant Company Subsidiaries including reasonable past practice as to providing the information, schedules and work papers and as to the method of computation of separate taxable income or other relevant measure of income of the Company and the Company Subsidiaries.

7.6 Director and Officer Indemnification.

(a) From and after the Closing, to the extent permitted by Law, the Company shall, and the Buyer shall cause the Company to, (i) indemnify, defend and hold harmless, all of the past and present directors, managers (in the case of a limited liability company), officers and employees of the Company or any Company Subsidiary (collectively, together with their respective heirs, executors or administrators, the “D&O Indemnified Parties”) against any and all losses incurred (including reasonable attorneys’ fees and expenses) in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that such D&O Indemnified Party is or was a director, manager (in the case of a limited liability company), officer or employee of the Company or a Company Subsidiary as a director, manager (in the case of a limited liability company), officer or employee of any other Person, whether asserted or claimed before, at or after the Closing, and provide advancement of expenses to the D&O Indemnified Parties (provided that the D&O Indemnified Parties to whom expenses are advanced provide an undertaking to repay such advances if it is ultimately determined that such D&O Indemnified Parties are not entitled to indemnification), in all such cases on terms no less favorable than those by such Persons who are indemnified or have the right to advancement of expenses before the date hereof by the Company or a Company Subsidiary pursuant to its Organizational Documents in existence immediately before the Closing.
(ii) subject to the limitations set forth in clause (i) for a period of six (6) years after the Closing, include and cause to be maintained in effect provisions regarding elimination of liability of directors, managers (in the case of a limited liability company), officers and employees, and indemnification of and advancement of expenses to directors, managers (in the case of a limited liability company), officers and employees, in each case on terms no less favorable to the D&O Indemnified Parties than those contained in the Organizational Documents of the Company in effect immediately prior to the Closing, which provisions shall not be amended, repealed or otherwise modified during such six (6) year period in a manner that would adversely affect the rights thereunder of any D&O Indemnified Party, and (iii) not settle, compromise or consent to the entry of any judgment in any Action or threatened Action (and in which indemnification could be sought by a D&O Indemnified Party hereunder), unless such settlement, compromise or consent includes an unconditional release of such D&O Indemnified Party from all liability arising out of such Action or such D&O Indemnified Party otherwise consents in writing to the entry of such judgment.

(b) The obligations of the Buyer, the Company and each Company Subsidiary under this Section 7.6 shall not be terminated, amended or modified in any manner so as to adversely affect any D&O Indemnified Party to whom this Section 7.6 applies without the written consent of such affected D&O Indemnified Party (it being expressly agreed that the D&O Indemnified Parties to whom this Section 7.6 applies shall be third-party beneficiaries of this Section 7.6, and this Section 7.6 shall be enforceable by such D&O Indemnified Parties and shall be binding on all successors and assigns of the Buyer, the Company and each Company Subsidiary).

(c) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to insurance claims under any policy that is or has been in existence with respect to the Company or any of the Company Subsidiaries or any D&O Indemnified Party, it being understood and agreed that the indemnification provided for in this Section 7.6 is not prior to, or in substitution for, any such claims under any such policies.

7.7 Change of Name; Phase Out. Except as set forth in the Transition Services Agreement, as promptly as practicable, but no later than ninety (90) days after the Closing Date, the Buyer shall, and shall cause the Company and the Company Subsidiaries to, remove or procure the removal of all references to and reproductions of the names “Vista”, and “Vista Outdoor” from all properties and assets of the Company and the Company Subsidiaries, including packaging or printed advertising and promotional materials, invoices, letterhead, company forms, business cards, product instructions or like materials, buildings, signs and vehicles, production molds and other equipment, and electronic databases and websites; provided, however, that (a) during such ninety (90)-day period, the Company and the Company Subsidiaries may continue to use and distribute such materials to the extent they exist on the Closing Date; (b) such ninety (90)-day period shall be further extended as reasonably necessary to sell off any pre-existing product stock, inventory, and materials containing the names “Vista” and “Vista Outdoors,” and (c) the Company and the Company Subsidiaries shall have the right to maintain and use all books, records, archived copies, electronic backups, and other materials containing the names “Vista” and “Vista Outdoors” for purposes of complying with Law, including Law governing the retention of business records, in perpetuity.
7.8 **R&W Insurance Policy.** The premium payable to the underwriters in respect of the R&W Insurance Policy, and all other brokerage commissions, Taxes, expenses, fees, costs or deductibles associated therewith, shall be borne solely by the Seller. The Buyer agrees to not amend the R&W Insurance Policy following the Closing in a manner that would materially and adversely affect the rights of the Seller set forth in this Section 7.8 without the prior written consent of the Seller (such consent not to be unreasonably withheld, conditioned or delayed). At such time as the Buyer obtains the final R&W Insurance Policy, a copy of such policy shall be provided to the Seller as soon as reasonably practicable. The Buyer shall cause the R&W Insurance Policy to expressly provide that the insurer(s) under the R&W Insurance Policy shall not have the right to, and will not, pursue any subrogation rights against the Seller or any of its respective Affiliates, or any of its Affiliates’, respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns in connection with any claim made by the Buyer or any of its Affiliates thereunder, except in the case of Fraud.

7.9 **Pre-Closing Insurance.**

(a) With respect to the Current Insurance Policies, Parent and the Seller, on behalf of themselves and their respective Affiliates, agree to maintain such Current Insurance Policies that covered the Business, Company, the Company Subsidiaries or any of their respective directors, managers (in the case of a limited liability company), officers and employees prior to the Closing and hereby agree that the Company and the Company Subsidiaries may continue to make claims under such policies to the extent that coverage under such insurance policies applies and provided that the events underlying any such claim occurred prior to the Closing. In furtherance of the foregoing, until the six (6)-year anniversary of the Closing Date, Parent shall maintain, or cause the Seller or its or their other Affiliates, as applicable, to maintain, the directors’ and officers’ liability insurance policy, the employment practices liability insurance policy and the fiduciary liability insurance policy, in each case, maintained by Parent, the Seller or its or their respective Affiliates immediately prior to the Closing for the benefit of the directors, officers and employees of the Company in respect of claims arising out of or relating to events which occurred prior to the Closing. Any such claims made by the Company or the Company Subsidiaries shall be at the sole cost and expense (including with respect to any applicable deductibles and/or self-insured retentions in connection with such claim) of the Company.

(b) With respect to any historical insurance policies that have previously covered the Company or any of the Company Subsidiaries (or any predecessor), the Buyer, on behalf of itself and its Affiliates, hereby agrees that Parent and its Affiliates may make claims under such policies to the extent that coverage under such insurance policies applies and provided that the events underlying any such claim occurred prior to the Closing. Any such claims made by Parent or its Affiliate shall be at the sole cost and expense (including with respect to any applicable deductibles and/or self-insured retentions in connection with such claim) of Parent or the Seller, as applicable.

(c) Each of the parties hereunder acknowledges and agrees that it shall, shall cause its Affiliates and their respective Representatives to, reasonably cooperate and provide
reasonable assistance to the other party(ies) hereunder in connection with any claims contemplated by this Section 7.9.

7.10 Further Assurances; Post-Closing Transfers.

(a) From and after the Closing Date, upon the request of either the Seller, the Buyer or the Company, each of the parties hereto shall do, execute, acknowledge and deliver all such further acts, assurances, deeds, assignments, transfers, conveyances and other instruments and papers as may be reasonably required or appropriate to carry out the Contemplated Transactions. The Seller and its Affiliates shall refer all customer inquiries relating to the Company’s business to the Company from and after the Closing. In addition, each of Parent, the Seller, the Buyer and the Company shall use their reasonable best efforts to prepare and submit all required notifications to the U.S. Department of State’s Directorate of Defense Trade Controls (“DDTC”) of the Contemplated Transactions and to provide all information required for the Company or one its Affiliates to file a registration statement with DDTC. Each of Parent, the Seller, the Buyer and the Company shall use their reasonable best efforts to promptly inform the other parties of any oral communications with, and provide copies of written communications with, DDTC; provided that no party shall be required to share communications containing confidential business information of such party if such confidential information is unrelated to the Contemplated Transactions. In addition, each of Parent, the Seller, the Buyer and the Company shall use reasonable best efforts to act promptly and cooperatively in providing all information required to amend the Permits to give effect to the Contemplated Transactions and to obtain all required approvals pertaining to import and export of the products or services of the Company, the Company Subsidiaries and the Business; provided, however, the Buyer agrees to reimburse Parent and the Seller and their respective Affiliates promptly for all reasonable and documented out of pocket costs and expenses incurred in connection with any such requests; provided, further, Parent and/or the Seller shall provide notice to the Buyer prior to incurring such out of pocket costs and expenses.

(b) To the extent that any Contract or any other asset relating primarily to the Business (each, a “Non-Assigned Asset”) has not been assigned, transferred or conveyed from the Seller or its Affiliates to the Company or a Company Subsidiary prior to the Closing, (i) the Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to subject to receipt of any required third-party consent (which the Seller or its applicable Affiliate shall use commercially reasonable efforts to obtain), effect the assignment, transfer or conveyance of such Non-Assigned Asset to the Company or a Company Subsidiary, free and clear of all Encumbrances (other than Permitted Encumbrances), as soon as practicable following the Closing Date and for no additional consideration and (ii) until any such assignment, transfer or conveyance has been completed, to the extent permitted by any applicable Law, the Seller and the Company shall, and shall cause their respective Affiliates to, take such other actions as may be necessary to place the parties in the position that the parties would have been in had the Non-Assigned Assets been assigned, transferred or conveyed to the Company or a Company Subsidiary at or prior to the Closing such that all of the benefits and burdens relating to such Non-Assigned Assets, including expenses, risk of loss, potential for gain and control of such Non-Assigned Assets inure from and after the Closing to the Company or a Company Subsidiary. In furtherance of the foregoing, (i) to the extent permitted by any applicable Law, the Seller shall, and if applicable shall cause its Affiliates to, hold all such Non-Assigned

(c) The Seller shall consult with the Buyer in connection with the Post-Closing Transfers, including (i) at the request of the Buyer, providing updates and information regarding the status thereof, including copies of documents related to the Post-Closing Transfers and (ii) providing the Buyer with a reasonable opportunity in advance of effecting any Post-Closing Transfer to review and comment on all documentation relating thereto and reasonably cooperating with the Buyer and its counsel in respect of the form thereof such documentation it is in a form and substance reasonably acceptable to the Buyer and its counsel.

Effective as of the Closing Date, the Seller, on behalf of itself and its Affiliates, hereby grants to the Company an exclusive (even as to the Seller and its Affiliates, other than with respect to any shared data, if applicable, for which the license granted hereunder will be non-exclusive), perpetual, irrevocable, worldwide, royalty-free, freely sublicensable license under all of the Seller’s and its Affiliates’ rights, title and interest in and to such Intellectual Property, to use and exploit such Intellectual Property in any manner whatsoever.

7.11 Letters of Credit; Bonds.

(a) Each of the provisions of Article 1, Article 7, this Article 8, Article 9 and Section 2.3 of this Agreement and any other covenants and other agreements that by their terms are to be performed in whole or in part after the Closing shall survive the Closing and the consummation of the Contemplated Transactions. Subject to the foregoing sentence and Section 8.1 (b) and except as expressly provided in Section 8.2, all other representations, warranties, covenants and agreements contained in this Agreement will not survive beyond the Closing, such that no claim for breach of any such representation or warranty, covenant, or agreement, detrimental reliance or any other right or remedy (whether in contract, in tort, or at law or in equity) may be brought after the Closing with respect thereto against the Buyer, the Company, any Company Subsidiary, Parent, the Seller or any of their respective Affiliates, or any of their, or their Affiliates’, respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns, and there will be no liability in respect thereof, whether such purported liability has accrued prior to, on or after the Closing, on the part of any such Person; provided that, for the avoidance of doubt, nothing in this Section 8.1 is intended to limit (i) the survival periods contained in the R&W Insurance Policy, which shall contain survival periods that shall control for purposes thereunder or (ii) the survival period with respect to the representation regarding Closing Working Capital made in the Pre-Closing Statement delivered by Parent pursuant to Section 2.3 (a).

(b) Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall, or shall be deemed to, limit or waive any right of the parties hereto to bring any claim or action based on Fraud against any Person under applicable Law, or constitute an admission by any party that any element of a claim for Fraud cannot be established against any Person under applicable Law.

8.2 Specific Indemnity. From and after the Closing, Parent, the Seller, each of their respective Affiliates and each of their and their Affiliates’ respective successors and assigns (each, an “Indemnifying Person” and, collectively, the “Indemnifying Persons”) shall (jointly and severally) indemnify, defend and hold harmless the Buyer, the Company, the Company Subsidiaries, each of their respective Affiliates and their and their Affiliates’ respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and assigns (each, a “Buyer

- 55 -
Indemnified Person”) from, against and in respect of any and all claims, judgments, liabilities, losses, damages, assessments, fines, penalties, Taxes, fees and costs (including reasonable attorneys’ and experts’ fees and expenses) (collectively, “Losses”) incurred or suffered by all or any of the Buyer Indemnified Persons as a result of, arising out of or relating to, directly or indirectly, the matters set forth on Schedule 8.2 (in each case subject to the limitations set forth therein).

8.3 Third-Party Claims; Notice of Claims; Defense.

(a) Notice of Third-Party Claims. The Buyer Indemnified Persons shall give prompt notice in writing, which shall be no later than fifteen (15) days after the receipt of such claim (a “Claim Notice”), to Parent or the Seller of the assertion of any claim or the commencement of any Action or other claims or actions by any Person who is not a party to this Agreement in respect of which indemnity may be sought under Section 8.2 (collectively, the “Covered Claims”); provided that the failure of the Buyer Indemnified Persons to so notify Parent or the Seller shall not limit the indemnity obligations hereunder, except to the extent such failure shall have materially prejudiced any Indemnifying Person.

(b) Assumption of Defense, etc. Promptly, but in any event no later than thirty (30) days, after receipt by an Indemnifying Person of a Claim Notice, such Indemnifying Person may, at its option, assume and control the defense and prosecution of the Covered Claim with counsel of its choice, which, if such counsel is not Reed Smith and/or Pisciotti & Malsh P.C., shall be satisfactory to the Buyer (such consent not to be unreasonably withheld, conditioned or delayed), by delivering written notice to the Buyer within such thirty (30) day period acknowledging that the Buyer Indemnified Persons are entitled to indemnification pursuant to Section 8.2 with respect to such Covered Claim; provided that no Indemnifying Person shall be permitted to assume and control the defense of any Covered Claim (but may participate, at its own expense, in the defense of such Covered Claim) if (i) such Covered Claim involves a criminal claim, (ii) such Covered Claim seeks an injunction or other equitable relief against any Buyer Indemnified Person or its business, or (iii) a Buyer Indemnified Person has been advised by counsel that such Covered Claim involves a conflict or potential conflict between such Buyer Indemnified Person and an Indemnifying Person in connection with the defense of such Covered Claim (other than solely the existence of the Indemnifying Persons’ obligation to indemnify the Buyer Indemnified Persons hereunder) (the limitations in the foregoing subclauses (i)-(iii), the “Assumption Limitations”). If no Assumption Limitations are implicated, and the Indemnifying Person elects to assume and control the defense and prosecution of a Covered Claim, the Buyer Indemnified Persons, at the expense of the Indemnifying Persons (which shall not include any costs or expenses for any internal time of any employee, officer, director of the Company or any of the Company Subsidiaries), shall reasonably cooperate in the compromise of, or defense against, such Covered Claim. Any Buyer Indemnified Person shall have the right to employ separate counsel in any such action or claim and to participate in (but not control) the defense and prosecution thereof either (i) at its own expense or (ii) at the Indemnifying Persons’ cost and expense if (A) the employment of such counsel has been specifically authorized in writing by any Indemnifying Person or (B) in the reasonable opinion of counsel to any Buyer Indemnified Person, a conflict or potential conflict exists between any Buyer Indemnified Person and any Indemnifying Persons that would make such separate representation required by applicable professional responsibility rules (provided that, in the case of subclauses (ii), the
Indemnifying Persons shall not be liable for the fees and expenses of more than one firm of counsel for all of the Buyer Indemnified Persons, other than local counsel, in any action or claim or group of related actions or claims).

(c) Limitations on Indemnifying Persons’ Control. No Indemnifying Person shall consent to the entry of any judgment or enter into any compromise or settlement with respect to any Covered Claim without the prior written consent of the Buyer (such consent not to be unreasonably withheld, conditioned or delayed), unless such judgment, compromise or settlement (i) provides for the payment by the Indemnifying Person of money as sole relief for the claimant, (ii) provides for a full release of all Buyer Indemnified Persons from all liabilities arising or relating to the Covered Claim and (iii) involves no finding or admission of wrongdoing on behalf of any Buyer Indemnified Person.

(d) Buyer Indemnified Persons’ Control. If (i) any Assumption Limitation is implicated, (ii) the Indemnifying Person does not deliver the notice required pursuant to Section 8.3(b) or (iii) the Indemnifying Persons otherwise at any time fail to conduct the defense of the Covered Claim diligently, the Buyer Indemnified Persons may defend the Covered Claim. In the event that the Buyer Indemnified Persons conduct the defense of the Covered Claim pursuant to this Section 8.3(d), no Indemnifying Person shall be liable to indemnify any Buyer Indemnified Person with respect to such Covered Claim if the Buyer Indemnified Person consents to the entry of a judgment or enters into any compromise or settlement with respect to such Covered Claim without the prior written consent of any Indemnifying Person (which consent shall not be unreasonably withheld, conditioned or delayed). In the event that the Buyer Indemnified Persons conduct the defense of the Covered Claim pursuant to this Section 8.3(d), subject to the preceding sentence, the Indemnifying Persons shall remain responsible for any and all Losses that the Buyer Indemnified Persons may incur or suffer resulting from, arising out of, relating to, in the nature of or caused by the Covered Claim to the fullest extent provided in this Article 8.

8.4 Recovery.

(a) The amount of any Losses sustained by a Buyer Indemnified Person shall be reduced by the amount actually recovered by such Buyer Indemnified Person in respect of such Losses under any insurance policy (net of any premium increases resulting from the applicable claim(s) and out-of-pocket costs and expenses (including reasonable attorneys’ fees and expenses) actually incurred to collect such amounts), any indemnification or similar agreements, or other rights of recovery (and the Buyer Indemnified Persons shall use commercially reasonable efforts to seek such recoveries). To the extent that any such recovery is obtained after the Buyer Indemnified Person has received payment from the Indemnifying Person with respect to the applicable Losses, the Buyer Indemnified Person obtaining such recovery shall promptly refund such amount (net of any premium increases resulting from the applicable claim(s) and out-of-pocket costs and expenses (including attorneys’ fees and expenses) incurred to collect such amounts) to the Indemnifying Person to the extent it results in duplicate recovery for the same Losses.

(b) Notwithstanding anything to the contrary contained in this Agreement, all indemnification payments required to be made to a Buyer Indemnified Person pursuant to this Agreement shall be determined net of any Tax benefits (determined on a “with” and “without” basis)
actually received in cash (whether by actual receipt of a cash tax refund or an actual reduction of cash Taxes due and owing) by a
Buyer Indemnified Person seeking indemnification hereunder arising from the deductibility against Taxes of Losses that gave rise to
such indemnity payment in the year of the Loss or immediate following year. The parties shall cooperate and provide all
information reasonably available to a party and reasonably requested by the other party in connection with the calculation of such
Tax benefits, and shall act in good faith to resolve any disputed item as promptly as practicable.

8.5 No Circular Recovery. Parent and the Seller hereby agree that neither they, nor any other Indemnifying Person, shall
make any claim for indemnification against the Company or any Company Subsidiary by reason of the fact that it was a controlling
person, director, employee or Representative of the Company or any Company Subsidiary or was serving as such for another
Person at the request of the Company or any Company Subsidiary (whether such claim is for Losses of any kind or otherwise and
whether such claim is pursuant to any Law, Organizational Document, Contract or otherwise) with respect to any claim brought
by a Buyer Indemnified Person against an Indemnifying Person under this Agreement or otherwise relating to this Agreement, any
other Transaction Document or any of the Contemplated Transactions.

8.6 Tax Treatment of Specific Indemnity Payments. Any indemnity payment made pursuant to this Article 8 shall be
treated as an adjustment to the purchase price for Tax purposes unless otherwise required by applicable Law.

8.7 Exclusive Remedy. Notwithstanding anything to the contrary in this Agreement, as a material inducement to the other
parties hereto entering into this Agreement and consummating the transactions contemplated hereby, except (a) as set forth in
Section 9.16, (b) for the purchase price adjustment procedures set forth in Section 2.3, (c) for amounts recoverable under the
R&W Insurance Policy or (d) in the case of Fraud, the rights of the parties to indemnification pursuant to the provisions of this
Article 8 shall be the sole and exclusive remedy for the parties hereto against the Indemnifying Persons, their respective Affiliates
and any of their respective Representatives with respect to any matter in any way arising from or relating to this Agreement,
regardless of the legal theory under which such liability or obligation may be sought to be imposed, whether including under the
common law or federal or state law, sounding in contract or tort, or whether at law or in equity, including with respect to any
claims made under any Environmental Laws (including the Comprehensive Environmental Response, Compensation and Liability
Act (42 U.S.C. sec. 9601, et seq.)), and the parties hereby agree that, except as specifically set forth by this Section 8.7, the
Buyer Indemnified Persons shall have no remedy or recourse against the Indemnifying Persons, their respective Affiliates and any
of their respective Representatives with respect to any of the foregoing other than pursuant to, and subject to the terms and
conditions of, this Article 8. Without limiting the foregoing, the Buyer agrees that neither it nor any other Buyer Indemnified Person
shall be permitted make any claim under any law, rule, regulation, judgment, order or decree of any Governmental Authority,
including Environmental Laws, arising out of the transactions contemplated hereby other than as provided under this Agreement.
The Buyer acknowledges and agrees that the Buyer Indemnified Persons may not avoid such limitation on liability by (x) seeking
damages for breach of contract, tort or pursuant to any other theory of liability, except as specifically set forth by this Section 8.7,
all of which are hereby waived, or (y) asserting or threatening any
claim against any Person that is not a party hereto (or a successor to a party hereto) for breaches of the representations, warranties, covenants or agreements contained in this Agreement.

(b) The Schedules and Exhibits hereto are hereby incorporated into this Agreement and are hereby made a part hereof as if set out in full in this Agreement.

9.7 Seller Release. Effective as of the Closing, Parent and the Seller, by executing this Agreement, for themselves and on behalf of their respective Affiliates, and each of their and their Affiliates’ respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns (each, a “Seller Releasing Party”), hereby fully and unconditionally release, acquit and forever discharge the Buyer, the Company, the Company Subsidiaries, any of their respective Affiliates, any of their and their Affiliates’ respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns and the Business (the “Buyer Group”) from any and all manner of Actions, causes of actions, claims, obligations, demands, damages, costs, expenses, compensation, Liabilities or other relief, that any Seller Releasing Party has, will or might have arising out of anything done, omitted, suffered or to be done by any member of the Buyer Group, in each case, whether heretofore or hereafter accrued or unaccrued, and whether foreseen or unforeseen or known or unknown, in respect of the period prior to the Closing in any way relating to the Company, the Company Subsidiaries or the Business, except for (i) rights and claims pursuant to this Agreement or the other Transaction Documents, or (ii) claims to enforce this Agreement or the other Transaction Documents.
9.8 **Buyer Release.** Effective as of the Closing, the Buyer, by executing this Agreement, for itself and on behalf of its Affiliates, and each of its and their respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns (including, after the Closing, the Company and the Company Subsidiaries) (each a “Buyer Releasing Party”), hereby fully and unconditionally releases, acquits and forever discharges Parent and the Seller, any of their respective Affiliates and any of their and their Affiliates’ respective owners of Equity Interests, officers, directors, employees, agents, Representatives, successors and permitted assigns (the “Seller Group”) from any and all manner of Actions, causes of actions, claims, obligations, demands, damages, costs, expenses, compensation, Liabilities or other relief, that any Buyer Releasing Party has, will or might have arising out of anything done, omitted, suffered or to be done by any member of the Seller Group, in each case, whether heretofore or hereafter accrued or unaccrued, and whether foreseen or unforeseen or known or unknown, in respect of the period prior to the Closing in any way relating to the Company, the Company Subsidiaries or the Business, except for (i) rights and claims pursuant to this Agreement or the other Transaction Documents, or (ii) claims to enforce this Agreement or the other Transaction Documents.

9.9 **Waiver.** A waiver of any term or condition of this Agreement by any party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach or failure of the same term or condition, or a waiver of any other term or condition of this Agreement. Except as expressly provided in this Agreement, no delay or omission on the part of any party in exercising any right, power or remedy under this Agreement will operate as a waiver thereof.

9.10 **Binding Effect; Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their permitted successors and assigns. No party to this Agreement may assign or delegate, by operation of law or otherwise, all or any portion of its rights, obligations or liabilities under this Agreement without the prior written consent of the other parties to this Agreement, which any such party may withhold in its absolute discretion; provided, however, that the Buyer may assign this Agreement to any lender of the Buyer as collateral or to any of its Affiliates (provided that in any such case (x) the Buyer shall remain responsible for the performance of all of its obligations hereunder and (y) the Buyer shall provide prompt written notice to the Seller of any such assignment). Any purported assignment without such prior written consents shall be void.

9.11 **No Third Party Beneficiaries.** Nothing in this Agreement shall confer any rights, remedies or claims upon any Person or entity not a party or a permitted assignee of a party to this Agreement, except for the Persons set forth in Section 7.6, who are intended third party beneficiaries of such provisions.

9.12 **Counterparts.** This Agreement may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement.

9.13 **Governing Law and Jurisdiction.** This Agreement and any claim or controversy hereunder shall be governed by and construed in accordance with the Laws of the State of Delaware without giving effect to the principles of conflict of laws thereof.
9.14 Arbitration.

(a) Subject to Section 9.14(e), any controversy, dispute or claim arising out of or relating to this Agreement (other than (i) in the case where a party seeks to obtain specific performance, injunctive relief or other equitable relief or in connection with Section 9.16 and (ii) with respect to the purchase price adjustment dispute procedures set forth in Section 2.3) or any breach or alleged breach hereof and including any dispute over arbitrability or jurisdiction shall be exclusively resolved by arbitration in the City of New York, New York, in accordance with the then current CPR Institute for Dispute Resolution (“CPR”) Rules for Administered Arbitration (the “Rules”), by three neutral, independent and impartial arbitrators, one of whom shall be appointed by the Buyer and one of whom shall be appointed by the Seller, within twenty (20) days of the commencement of the arbitration. The third arbitrator shall be appointed by the first two arbitrators within twenty (20) days of the appointment of the second arbitrator. Any arbitrator not timely appointed shall be appointed by the CPR in accordance with the Rules. If the dispute concerns any matter involving accounting issues, at least one of the arbitrators shall be a mutually agreed upon independent certified public accountant affiliated with a national accounting firm; otherwise, each arbitrator shall be a neutral and impartial lawyer with excellent academic and professional credentials who is or has been practicing law for at least fifteen (15) years, specializing in sophisticated business transactions.

(b) The arbitrators shall conduct such evidentiary or other hearings as the arbitrators deem necessary or appropriate. Each party shall be entitled to seek the discovery of documents relating to the issues in dispute and each party shall be entitled to five (5) depositions and a deposition of any expert whose testimony is to be submitted pursuant to the following sentence. If expert testimony is to be submitted by a party, each other party shall be entitled to a description of the matter as to which such expert testimony is to be submitted and the basis therefor. The arbitrators may issue subpoenas requiring the attendance and testimony of witnesses and the production of all books, papers and documents relating to the issues in dispute, whether such attendance and production is at the hearing on the merits or at a deposition prior to such hearing. The arbitrators may also, in their discretion, permit introduction into evidence of the transcripts from such depositions if the witness is unavailable for the hearing. All arbitration proceedings including the existence of an arbitration request or proceeding, any settlements relating thereto, all documents exchanged or produced and memorials, briefs or other information shall be confidential and may not be used or disclosed by the parties or their representatives except as may be reasonably necessary to enforce any arbitral award or as required by applicable Law.

(c) The arbitrators shall base their decision and award on applicable law and judicial precedent, and shall have the authority to award any remedy or relief that a Court of the State of Delaware could order or grant, including specific performance and injunctive relief. The arbitrators’ decision and award shall be in writing and shall be accompanied by a written statement containing a summary of the issues in controversy, a description of the award and an explanation of the reasons for the decision and award, including findings of fact, conclusions of law and the reasoned application of applicable law to the facts and questions of law presented by the issues in controversy. The arbitrators shall endeavor to deliver their decision within three (3) months of the appointment of the last arbitrator. In rendering such decision and award, the arbitrators shall not
add to, subtract from or otherwise modify the provisions of this Agreement. The arbitrators shall not have the power to award punitive, exemplary or analogous damages.

(d) Each party shall bear all of its costs and fees incurred in connection with such arbitration proceedings, including administrative fees, attorneys’ fees, fees of expert witnesses and travel expenses (collectively, “Costs and Fees”), and each party shall bear equally the fees and expenses of the arbitrators and all other costs and expenses incurred in connection with the arbitration (collectively, “Arbitration Expenses”). Notwithstanding the preceding sentence, the arbitrators shall be empowered to require anyone (1) or more of the parties to bear all or any portion of the Costs and Fees and/or Arbitration Expenses in the event that the arbitrators determine that such party has acted in bad faith.

(e) Notwithstanding anything to the contrary provided in herein, the arbitration shall be governed by the United States Arbitration Act, 9 U.S.C. § 1 et seq. The decision of the arbitrators shall be final and binding on the parties, and judgment upon the award may be entered in any court having jurisdiction thereof. Notwithstanding anything to the contrary provided herein and without prejudice to the above procedures, any party may apply to any court of competent jurisdiction for temporary injunctive or other provisional equitable judicial relief if in such party’s sole judgment such action is necessary to avoid irreparable damage or to preserve the status quo until such time as the arbitration award is rendered or the controversy is otherwise resolved. Without prejudice to such provisional remedies as may be available under the jurisdiction of a court, the arbitrators shall have full authority to grant provisional remedies.

9.15 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

9.16 Specific Performance. The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement in accordance with its specified terms or otherwise breach or threaten to breach such provisions. The parties acknowledge and agree that the parties hereto shall be entitled, in addition to any other remedy to which they are entitled at law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof. In furtherance of the foregoing, each of the parties hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (a) there is adequate remedy at law or (b) an award of specific performance is not an appropriate
remedy for any reason at law or in equity. Any party seeking an order or injunction to prevent breaches or threatened breaches and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

9.17 Severability. If any term, provision, agreement, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, agreements, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the Contemplated Transactions is not affected in any manner materially adverse to any party hereto. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a reasonably acceptable manner so that the Contemplated Transactions may be consummated as originally contemplated to the fullest extent possible.

9.18 Legal Representation.

(a) The Buyer, on behalf of itself and its Affiliates (including, after the Closing, the Company and the Company Subsidiaries), acknowledges and agrees that Reed Smith LLP (“Reed Smith”) has acted as counsel for the Seller, the Company and the Company Subsidiaries in connection with this Agreement and the Contemplated Transactions (the “Acquisition Engagement”), and in connection with this Agreement and the Contemplated Transactions, Reed Smith has not acted as counsel for any other Person, including the Buyer.

(b) Only the Seller, the Company and their respective Affiliates shall be considered clients of Reed Smith in the Acquisition Engagement. The Buyer, on behalf of itself and its Affiliates (including after the Closing, the Company and the Company Subsidiaries), acknowledges and agrees that all confidential communications between the Seller, the Company and their respective Affiliates, on the one hand, and Reed Smith, on the other hand, that relate exclusively to the negotiation, documentation and consummation of the Acquisition Engagement or any dispute arising under thereunder (“Privileged Communications”) shall be deemed attorney-client privileged, and shall be deemed to belong solely to the Seller and its Affiliates (other than the Company and the Company Subsidiaries), and not the Company or the Company Subsidiaries, and shall not pass to or be claimed, held, or used by the Buyer or any of its Affiliates upon or after the Closing. Accordingly, the Buyer and its Affiliates shall not have access to any such Privileged Communications, or to the files of Reed Smith relating to the Acquisition Engagement, whether or not the Closing occurs. Without limiting the generality of the foregoing, upon and after the Closing, (i) to the extent that Privileged Communications in respect of the Acquisition Engagement constitute property of the client, except as otherwise provided herein, only the Seller and its Affiliates shall hold such property rights and (ii) Reed Smith shall have no duty whatsoever to reveal or disclose any such Privileged Communications to the Buyer or any of its Affiliates by reason of any attorney-client relationship between Reed Smith and the Company, the Company Subsidiaries or otherwise; provided, however, that notwithstanding the foregoing, Reed Smith shall not disclose any Privileged Communications to any third parties (other than Representatives, accountants and advisors of the Seller and its Affiliates; provided that such Representatives, accountants and advisors are instructed
to maintain the confidence of such Privileged Communications). The Buyer, on behalf of itself and its Affiliates (including after the Closing, the Company and the Company Subsidiaries), irrevocably waives any right it may have to discover or obtain any such Privileged Communications. If and to the extent that, at any time subsequent to Closing, the Buyer or any of its Affiliates (including after the Closing, the Company and the Company Subsidiaries) shall have the right to assert or waive any attorney-client privilege with respect to any such Privileged Communications between the Company or its Affiliates and any Person representing them that occurred at any time prior to the Closing, the Buyer, on behalf of itself and its Affiliates (including after the Closing, the Company and the Company Subsidiaries), shall be entitled to waive such privilege only with the prior written consent of the Seller (such consent not to be unreasonably withheld).

(c) The Buyer, on behalf of itself and its Affiliates (including after the Closing, the Company and the Company Subsidiaries), acknowledges and agrees that Reed Smith is acting as counsel for the Seller, the Company and their respective Affiliates and that the Seller reasonably anticipates that Reed Smith will continue to represent it and/or its Affiliates in future matters. Accordingly, the Buyer, on behalf of itself and its Affiliates (including after the Closing, the Company and the Company Subsidiaries), expressly (i) consents to Reed Smith’s representation of the Seller and/or their respective Affiliates in any matter, including any post-Closing matter in which the interests of the Buyer and the Company, on the one hand, and the Seller or its Affiliates, on the other hand, are adverse, including any matter relating to the Contemplated Transactions or any dispute or disagreement relating thereto, and whether or not such matter is one in which Reed Smith may have previously advised the Seller, the Company or their respective Affiliates and (ii) consents to the disclosure by Reed Smith to the Seller or its Affiliates of any information learned by Reed Smith in the course of its representation of the Seller, the Company or their respective Affiliates, whether or not such information is subject to attorney-client privilege, attorney work product protection, or Reed Smith’s duty of confidentiality.

(d) Upon and after the Closing, the Company and the Company Subsidiaries shall cease to have any attorney-client relationship with Reed Smith, unless and to the extent Reed Smith is expressly engaged in writing by the Company and/or the Company Subsidiaries to represent the Company or the Company Subsidiaries after the Closing and either (i) such engagement involves no conflict of interest with respect to the Seller and/or any of its Affiliates or (ii) the Seller and/or any of its Affiliates, as applicable, consent in writing to such engagement. Any such representation of the Company by Reed Smith after the Closing shall not affect the foregoing provisions hereof.

Vista Outdoor Announces Sale of Savage Brand

Anoka, Minnesota, July 8, 2019 - Vista Outdoor Inc. (“Vista Outdoor”) (NYSE: VSTO) announced today that it has completed the sale of the legal entity operating its Savage Arms and Stevens firearms brands to a financial buyer for a total purchase price of $170 million, comprised of $158 million paid at closing and $12 million to be paid upon maturity of a five-year seller note issued by the buyer to Vista Outdoor in connection with the transaction.

The sale is part of Vista Outdoor’s previously announced transformation plan, which outlined the intent to reshape the company’s portfolio by cutting costs, consolidating leadership, paying down debt, and divesting certain brands, including both its eyewear brands and firearms brands, in order to pursue growth in product categories where the company believes it can be market leaders. As the company now looks forward, the focus is on ammunition, hunting and shooting accessories, hydration bottles and packs, outdoor cooking products, and cycling/ski helmets and accessories.

“Divesting our Savage brand was a key aspect of our transformation plan,” said Chris Metz, Chief Executive Officer of Vista
Outdoor. “While it was a difficult decision to sell such an iconic brand, I remain confident that this was the correct choice to help Vista Outdoor grow in those categories where we can have leadership positions. Savage is a fantastic business, and it deserves to continue to evolve into other firearms categories. At this time, however, we simply do not have the resources to transform Savage into the full-service firearms company that it deserves to be and, therefore, we determined the brand would be better off with a different owner. We’re excited to see Savage reach its full potential under new ownership.”

Savage was acquired by Vista Outdoor’s predecessor, ATK, in 2013. ATK’s sporting business - which included Savage, Bushnell, Federal and CCI Ammunition, and dozens of other hunt/shoot accessories brands, spun off in 2015 to become Vista Outdoor.
“The Savage acquisition helped create Vista Outdoor, and we’re grateful for all the success the brand brought to our company over the past six years,” said Metz. “However, this divestiture now gives our ammunition brands flexibility to work with any industry partner to create the best products and meet our consumers’ needs.”

At closing, Vista Outdoor received gross proceeds from the divestiture of $158 million. Vista Outdoor will use the net after-tax proceeds of the sale to repay outstanding indebtedness.

“Reducing our debt is a key part of turning around our business,” said Metz. “Selling Savage and further reducing our overall leverage will improve our financial flexibility and better position the company for long-term growth. We’ve now rebuilt the company’s foundation to provide a more stable base upon which to grow. We have a portfolio of brands that all have the potential to be strong, market leaders in their respective categories and I’m proud of my team’s efforts in reshaping the portfolio over the course of the past year.”

Robert W. Baird & Co. served as transaction and financial advisor and Reed Smith LLP served as legal advisor to Vista Outdoor in connection with the transaction.
